

Vendor Opportunities at the  
SASS Northwest Regional  
Rattlesnake Gulch Roundup

The Rattlesnake Gulch Rangers would like to invite you to vend at the SASS Northwest Regional, September 24 – 27, 2009. We expect approximately 250 shooters and you know the only thing Cowboy Action Shooters love more (or almost as much) than shooting is shopping! We do understand the strain that current economic conditions have put on our vendors so please see our Pricing structure for our “Vendor Economic Stimulus Plan”.

Part of the Cowboy Action experience is the feeling of being back in the “Old West”. In keeping with this we ask that all vendor displays conform to the Cowboy Action theme and that vendors dress in period costume. We would appreciate it if you would keep your vending area as close as possible to “period correct” to further enhance the experience of Cowboy Action shooting. We do understand there are some limitations to this and we will work with you on a “per vendor” basis to accommodate your requirements and ours.

Vendors are responsible for supplying their own tent or awning for their space. If you need assistance securing rental tents or canopies please contact Payden Gold at [PaydenGold@rattlesnakegulch.com](mailto:PaydenGold@rattlesnakegulch.com).

All vendors are responsible for collecting sales tax and their own liability insurance.

**Pricing**

\$50.00 for space up to 600 sq feet or a 30x20 tent.

This price includes recognition in the Rattlesnake Gulch Rangers Shooters Handbook and vendor parking for one vehicle.
